WHEREAS, it is necessary and in the public interest for purposes of Project No. R-92 described in said contract (hereinafter referred to as the "Project"), that the Loan and Capital Grant be increased to provide for additional loan and grant assistance; and

WHEREAS, Title VI of the Civil Rights Act of 1964, and regulations of the Federal Department of Housing and Urban Development effectuating that Title, provide that no person shall, on the ground of race, color, or national origin, be excluded from participation in, be denied the benefits of, or be subjected to discrimination in the undertaking and carrying out of urban renewal projects assisted under Title I of the Housing Act of 1949, as amended;

MEMORANDUM

TO: Boston Redevelopment Authority

FROM: John D. Warner, Director

DATE: October 2, 1969

SUBJECT: Increase in Relocation Grant - South Cove Project. Request
Permission to File Amendatory Application

Relocation costs in the South Cove Project have greatly exceeded the estimate approved by H. U. D. in April of 1966. In order that the Authority qualify for reimbursement of approximately \$755,000, it will be necessary to file an amendatory application requesting an increase in the Relocation Grant.

Since relocation costs are 100% reimbursable by the Federal Government, there will be no resulting increase in either City or State commitments.

I therefore recommend the Authority adopt the attached Resolution authorizing the filing of an amendatory application requesting increases in Project Temporary Loan and Capital Grant Contract in the amount of \$1,429,590.
